

Montessori Impressions Academy

Letter Of Commitment From Parents

Montessori Impressions Academy, INC is committed to the health and safety of our children, families and staff. So, it is necessary for each parent to make a commitment concerning their activities and health status. This will help reassure everyone that all children and staff continue to be free of the COVID-19 Virus. Parents also agree to follow all our health and safety protocols during this pandemic. Consequently, each parent must make the following commitment and sign below.

1. Our family does not participate in activities or gatherings which would expose them to others who might have COVID-19.
2. No one in our family is experiencing any of the following symptoms:
 - Fever, shortness of Breath or Cough
 - Unexplained Diarrhea or Vomiting
 - Unusual Fatigue or Tiredness
 - Difficulty Breathing
 - Unexplained Rashes (particularly children)
3. No one in our family is under quarantine or isolation order from any governmental authority or health care professional.
4. No members of our household have been diagnosed with COVID-19
5. Parents agree to immediately notify the school director of any confirmed cases or exposure of COVID-19 within their family.
6. During our child's period of enrollment, our family will continue to practice precautionary safety measures, such as wearing masks and social distancing.
7. We have provided the school with pertinent health related information regarding our child such as allergies or any serious underlying medical conditions and understand those in a high-risk category should consult with their doctor before enrolling in the program.
8. We acknowledge that Montessori Impressions Academy, INC has created safety and cleanliness protocols for children, staff and families in order to prevent any infection within our school following the guidelines of the C.D.C., local departments of health and the department of social services.
9. We agree to strictly abide by the protocols set forth by Montessori Impressions Academy while the pandemic lasts and our child is in attendance.
10. In spite of our due diligence, however, Montessori Impressions Academy, INC cannot guarantee that an infection will not take place. Families agree to hold Montessori Impressions Academy, INC under such circumstances harmless and free of all litigation.
